Comhairle na nÓg

South Dublin Comhairle na nÓg is a Countywide Youth Council, which give children and young people the opportunity to be involved in the development of local services and policies. It provides the youth of South Dublin County with an opportunity to identify and discuss matters which affect their daily lives, and is a place for young people to pass on their views and concerns to decision-makers at both local and national government.

South Dublin Comhairle na nÓg is encouraging young people in the County to shop local, support local business and support local community facilities, which will in turn support youth employment in the County.

We are working in partnership with the County Development Board to promote the Think Local Campaign and invite you to enter this competition to design a poster that will demonstrate your understanding of the Think Local Campaign and encourage people of all ages to Think Local.
